(b) Heads of estimate proposed to be reduced					Remarks (Here state fully the reasons for exceeding the allotment and for anticipating savings)
Amount as in the sanctioned estimate	Actual expenditure up to date viz. 30 April 04	Probable expenditure during remainder of the year	Amount available for re-appropriation		
6	7	8	9	10	
					The amount sanctioned under this head for 1902-3 has all been expended to meet a portion of the expenses incurred in Taluqs of this District during the latter part of 1902-3, as also the expenses incurred during the current official year in the District Treasury up to end of April 1904, and in Taluqs up to middle of April 1904.
					The amount expended during April 1904 below, Chennarayana and Arakere Taluqs for sending Treasurers to the State Huzur Treasury for remittance of advances. There is still a probability of 2½ lacs of Rupees being remitted from this District to the State Huzur Treasury during the remaining two months i.e. May & June 1904.
					For these reasons the additional allotment required is indispensably necessary to meet the remittance charges during the remainder of the year.
200	60-4-2	39	100		{ There being only one District Surveyor & 3 Talu Measurers in the District, a sum of about Rs 39 is enough to meet the cost of their stationery, other expenses -
100	41-4--	18	40		
					{ There is no likelihood of purchasing service postage labels of more than Rupees 18/- in value during May & June 1904 -
100	24-6--	15	60		{ There having occurred only two instances in which expenses amounting to Rupees 24-6-- had to be incurred under this head for a period of 10 months ending 30 th April 1904, it is not likely that more than Rupees 15/- will be required for another two months -
100	28	22	50		{ There is no probability of making any purchase of books for more than Rupees 22/- during the remainder of the current official year
